

5 REASONS TO JOIN NARUC

The National Association of Regulatory Utility Commissioners (NARUC) was founded to improve the quality and effectiveness of government utility regulation. Members from across the 50 states and U.S. territories have shaped utility regulation - you could be one of them!

NETWORKING

- ✓ Meet the only individuals who have your job
- ✓ Get advice about procedure, administrative issues and more
- ✓ Learn about other states' regulatory process and policy

ADVOCACY

- ✓ NARUC advocates before the federal government on behalf of states
- ✓ NARUC helps preserve state jurisdiction
- ✓ NARUC helps seek funding for state safety programs

RESEARCH & EDUCATION

- ✓ Receive new Commissioner training
- ✓ Attend Rate School and hear from experts on the topics in every rate case
- ✓ Read research and analysis of wide-ranging policy issues

UNDERSTAND THE ISSUES

- ✓ Attend regularly-scheduled and topical Committee meetings
- ✓ Join project-specific collaborations with other states and agencies
- ✓ Receive access to white papers and webinars on emerging issues

COMMUNICATIONS

- ✓ Bi-weekly newsletters about a variety of relevant topics
- ✓ Quarterly calls with public information officers
- ✓ Semi-annual meetings and updates from NARUC
